

RESOURCES

Issue: 3

Document Number: SEL30

Issue Date: January 2017

Originator: Kate O'Toole

Review Date: January 2020

Responsibility: Nadine Kaminska

Students are provided with:

- ★ Learning materials (including course books, dictionaries, supplementary materials) suitable to their age, level and learning goals
- ★ Materials for self-study
- ★ An area for quiet study
- ★ A computer room with internet access and printer
- ★ Wifi throughout the premises
- ★ Library books for extensive reading

Teachers are provided with:

- ★ Up-to-date materials and resources including course book supplementary materials (teachers' books, workbooks, CD-ROMS etc.)
- ★ Supplementary materials and reference books
- ★ Photocopier, computers and printers
- ★ Stationery and materials for creating resources

Review and development:

- ★ Students provide feedback on resources in feedback every 12 weeks and at the end of their course
- ★ Teachers provide feedback in monthly teachers' meetings and at the end of the each 12-week course; the school course book is chosen by the teachers every 12 weeks in agreement with the DoS
- ★ Editions of course books will be updated as necessary
- ★ The Director of Studies agrees a budget for resources with the Director and Executive Manager in termly meetings
- ★ An additional IWB will be added each academic year in line with student numbers
- ★ The school library will be expanded as student numbers increase
