Select English is an international, multicultural school and summer camp provider. We aim to provide a safe, welcoming environment in which all our students can learn and gain insight into British life and culture.

We fully subscribe to the UK Government's Prevent strategy and promote the core British values of:

- democracy
- the rule of law
- individual liberty
- mutual respect and tolerance of those with different faiths and beliefs

With this in mind, we aim to be ethical, honest and fair and to treat our students, staff and agents, with respect regardless of ability, age, gender, nationality, religion, race or any other defining characteristic.

We are aware that some students or staff may hold or develop extremist views and prejudices which differ from the values and aims set out above. Where these come to light such extremes and prejudices will be challenged in line with our staff and homestay code of conduct, anti-bullying and harassment policy and school rules.
